What kind of van are you interested in?

What do you intend to use the van for?

How many passengers do you need to carry?

Do you have any children that you need to transport?

What kind of sports do you do?

Do you have any specialty equipment you need to carry?

Will you be doing any winter camping?

Do you do a lot of cooking?

How many days do you want to be off-grid?

What is your expected budget for this build?
